

# Classroom Expectations

To be successful in my work I should:-

- arrive on time at all my lessons with the correct books and equipment
- keep all my exercise books and folders in good clean condition
- complete all my written pieces of work in blue or black ink, using the correct headings and titles
- read all my work carefully and check it before I hand it in
- think about my teachers' comments and try to improve by setting myself appropriate targets
- concentrate in lessons and always do my homework on time and to the best of my ability
- always carry my Homework Diary with me for use in all my lessons

I must also:

- have consideration and respect for myself and other people: there is no excuse for rudeness, disrespect or offensive language
- look after my own property and respect the property of others
- listen carefully to my teachers and follow their instructions
- work sensibly with my classmates and make the most of learning opportunities
- move quietly about the school in a sensible and safe manner
- be honest and trustworthy and remember that I am responsible for my actions
