Bikeability 2025

Dear Parents& Carers

We are hoping to offer a 2 day cycling training course to our Year 5s this academic year.

The lessons will be held during school time, in February, with a charge of £15.00 (unless your child is in receipt of Free School Meals in which case these lessons will be free of charge).

The children will need their own bikes and helmets which will be fully safety checked before they are able to complete the training.

We are just trying to gauge numbers at present and so would ask you to complete the form below and return to the office by Monday 16th December to enable us to organise groups and book the training accordingly. Please see the link below for information about bikeability. We will send you further information about sessions at school in due course.

<https://www.bikeability.org.uk/>

Yours sincerely

Sarah Biss
Head of School
