

Christmas Craft Afternoon/Festival

We held a wonderful afternoon full of craft activities yesterday, which I know parents and children really enjoyed. This is something we will look at replicating another time. Please see some photos from the afternoon below.

We look forward to seeing many of you here in school tomorrow for the Festival and Tree Sale. Despite the weather I'm sure it will be a great event.

News from the Classrooms

This week in Robins we have been reading *The Gingerbread Man*. The children enjoyed joining in with the story and playing with ginger smelling playdough. We also enjoyed the Christmas craft afternoon with our parents.

With Christmas looming we had a very cheerful week decorating the school and welcoming parents to the classroom for a wonderful craft afternoon. It was messy and very busy but also full of Christmas cheer.

The Year 2 children in Starling class have been working extremely hard to remember the names and properties of 3D shapes. This can be quite tricky on a drawing when some of the faces, edges and vertices are hidden, so we have been using resources to help us.

In Science, this week Goldfinch class have been looking at conductors and insulators of electricity and were sorting a variety of materials into the two categories.

Swallows loved having the adults in class for the Christmas craft on Thursday afternoon. We made decorated gift paper, zigzag cards and gift tags. Thank you to all those who made it.
