12th July 2024

Dear Y3 Parents and Carers,

We are pleased to send you your child's end of year report which you should receive in an envelope today. We hope you enjoy reading the report and seeing how much your child has achieved. We continue to be so proud of your children and their positive attitude to school life and learning. As in previous years, effort grades have also been included as we believe that it is helpful for you to know how much effort your child puts into each subject area. Our effort grades this year are: 1=Excellent, 2=Good, 3=Satisfactory. We hope most children put in at least good effort for each curriculum area.

By law we need to offer you a chance to talk about the report with your child's current teacher, if you so wish. If you would like this to happen, please contact the school office. We will then be in touch with you to arrange a convenient time for a telephone conversation.

As you know, next year your child's teacher will be Miss Plaskitt

With thanks for all your support this year. We really appreciate it and all of us here at Welton would like to say a big thank you.

With best wishes,

Mr J Snell
Head Teacher

DIRECTOR OF PUBLIC HEALTH AWARD

Miss Plaskitt

Hello next year's Kestrels and families!

It has been lovely to spend some time with Kingfishers recently working on our poetry and during the transition morning where we thought about our goals for next year and played some games to get to know each other better! I look forward to welcoming you all to Kestrels class!

In my spare time, I love to bake and enjoy reading a good book! It's really important to me to spend time with my family and my friends and, of course, my dog! I love to get outdoors and enjoy a challenging hike.

I have loved my time at Welton so far and this will be my third year teaching here. There are a few children moving in to Kestrels whose siblings I taught a couple of years ago so I am excited to reconnect with those families, as well as get to know the new families I will be working with! I aim to make the learning as engaging and fun as possible and endeavour to embed active learning and trips linking to the curriculum where possible!

In order to make a flying start in September, I recommend lots of reading over the summer holidays and keeping up with Doodle maths! It will put you in good stead for Year 4. I hope you all have a great summer and I will see you in September!

Miss Plaskitt
