

Dear Parents and Carers

Parents' Evenings 2024/25

A student will succeed when parents and the school are working together to support the child. St Dunstan's School values the strong relationships and partnership we have built with our community. Parents' Evenings are an important part of this partnership. Student surveys tell us that children value nothing more than their parents attending information evenings and these evenings have always been useful and well supported by the community.
