

We'd like to say how impressed we were with all the entries for our Bulb Show on Saturday. The most we've ever had! I'm sure that you'll all agree that the standard of the children's art work and poetry was superb and you may have noticed that for the first time the preschool at The Cabin displayed their art work and created a miniature garden. Here is just a selection of some of the wonderful work on display.

The Trust CEO, Alun Williams, paid a visit to Clutton last week. He is currently visiting all primaries and was making his first visit to us this academic year. He was very impressed with the effort our children were putting into their learning as well as how the school grounds were looking. The one area that will need attention is our astro and Mr Williams has promised to come back with some solutions for this, which may mean renovation or even replacement.

On Monday, there was a Year 4 football tournament at Norton Hill. I was extremely impressed at how well all the children played as a team, especially as they play for different teams outside of school or not for a team at all. They did very well, winning two of their four matches. Many thanks to Carl Bubb for taking on the role of team coach, organising a training session and match to prepare them for Monday's event.

Arbor-Parent App

As you will be aware we have recently migrated across to a new Management Information System called Arbor. As we are one of the first schools to implement this, we are also now readying ourselves to roll out the new Parent App in the next two weeks, which means you will be able to log in via the Arbor Parent App to view your child's attendance and behaviour data and receive in-app messages (which will replace the current email system). More functions will be available as the system progresses. We will send further information about the launch of the Arbor Parent App in the next week and will let you know when your log in details have been generated.

Learning about Jewish Festivals

This afternoon, Sophie's Mum very kindly came into Cherry and Willow Class and taught us all about Jewish festivals. We learnt about Purim, Passover and Hannakah, and tried some delicious sweet pastry (**hamantaschen**) that she made to celebrate Purim, which is celebrated today. She brought lots of interesting things for us to look at including a beautiful menorah, a Sader plate and books showing the Hebrew alphabet. We also learnt how to say happy holiday in Hebrew.

A huge thank you from Cherry and Willow Class.

Village Day VE Celebrations - May 10th

Many of you will know Rob Creber who is organising the entertainment side of things for the village day. If there are any parents or children who play a musical instrument/sing/are part of a band who would like to perform on the day to make themselves known to the school and we will let Rob know.

Easter Olympics

The Easter Olympics are back!!!

This is a sponsored event organised by the PTFA. Children will be taking part in 3 Easter themed sporting events - Bunny Hop Obstacle Course, Egg Dash Relay and the Carrot Throw - during the week beginning 24th March.

Every child taking part will win an easter egg. Sponsor forms have been sent home this week. Please check your child’s bag. There are spare forms in the office if needed. The more money raised, the more exciting opportunities we can organise for the children.

There will be a special prize for the individual that raises the most money.
