

Firstly, apologies for those parents who did not receive the newsletter last week due to a technical hitch with 'Teacher to Parents'. A copy of the newsletter is always available on the school website.

It was lovely to see so many children looking smart in their Beaver, Brownie, Cubs and Scouts uniforms on Monday for Remembrance Day. We held our 2 minute silence altogether in the hall and then each class shared the work that they had completed in their classes to commemorate this day.

Year 6 had an 'explosive' afternoon learning about volcanic eruptions and how rocks form inside volcanoes- ending with a demonstration of how gas forms and eventually erupts using Coke and Mentos! A big thanks to our Volcanologist visitor for this amazing lesson.

If you are a parent or carer for a child in EYFS/Key Stage 1 (Reception to Year 2) then the PTFA would love to hear from you. They are looking for more Key Stage 1 parents to join the PTFA to give more balanced views and ideas for the younger children in the school when planning events. If you are interested or would like to know more about the PTFA then please contact the school office and we can put you in touch with a PTFA member.
