

Yesterday, Lisa and Sean from the Clutton Horticultural Society came in to talk to the children about the Clutton bulb show that will be happening next March and gave a detailed account of how to plant their bulbs in readiness for the show. Each child should be coming home with 4 bulbs (a hyacinth and 3 daffodil bulbs) today so have fun planting them!

Thank you to everyone who has signed up for a slot at parents evening next week. If you haven't already done so, it is not too late simply contact the office and either Claire or Fran can book you in.

School photos are also taking place next Thursday. If this is your child's PE day, please send them in their school uniform with their (named!) PE kit in a bag.

Year 6 Life Skills Trip

On the 17th of October Oak class went to Bristol life skills to experience different situations and how to handle them. After doing a quiz, we were put into groups and we went round several different rooms. My favourite one had us imagining we were walking home in the dark and suspected someone was behind us. I learned that we should not show that we have valuables and go into a shop since there would be security cameras. Everyone also got a chance to call a fake emergency service and learned about DRAB, the acronym of what you should do when someone is in danger before calling 999.

After our trip I feel like I'm a bad situation expert and am excited to share my knowledge so everyone can be ready.
