

Clutton Primary School

Appreciate, Aspire, Achieve

Newsletter 34- June 21st 2024

We have had a lovely week at school. Following on from the success of last year, we welcomed back Sam from Wessex Water on Monday and Tuesday who conducted water based experiments with each of the classes. Everyone had great fun and Sam was particularly impressed by how welcoming the school is and how knowledgeable our children are.

Then of course, with the weather being kind to us we had a fantastic sports day on Wednesday. Many thanks once again to Clutton Football Club for hosting the event and marking out the track for us. It was lovely to see so many parents, grandparents and older siblings coming along to support the event and add to the atmosphere. Congratulations to Emerald House who are this year's winners of the Sportsday Cup. Here are just a few photos that encapsulate the day. Remember to follow us on instagram to see more pictures.

Oak Class- Techniquest

Today, Year 6 made their way over the bridge to Techniquest in Cardiff for a fun filled day of science. They had free time to explore the interactive exhibits which included an earthquake simulator, robotic arms, a wind tunnel and loads more! The trip was concluded by a trip into space with a talk in the planetarium.

School Uniform

Please can we ask you to check that your child's uniform is clearly labelled with their name. On just one day this week more than 12 jumpers and cardigans were collected from the playground after lunch time, and not one of them had a name in. So none could be returned to the owners. There are still 5 in the office now!

Head Teacher Award

Congratulations to Joel, Hera, Sam, Louie, Dillon for receiving the Head Teachers Award this week.
