

20th September 2024

Dear Parents and Carers

Year 11 Information Evening 2024

It goes without saying that this is the most important year so far of your child's education. It will be a short year, with plenty of work, deadlines and expectations. It is normal for students to begin to notice the difference between Year 11 and other years in the first few weeks and months. As a parent it is important that you are as well informed as possible so that you can support your child effectively.

I am delighted to invite you and your child to our Year 11 Information Evening. The event will be held at St Dunstan's on **Thursday 10th October at 18.00.**

The purpose of the event is to provide you and your child with information on how they can be successful in their final GCSE year. There will be talks on how to revise effectively; tips on revision from each of the core subjects; how to manage stress in the run up to the exam period and advice on how parents can support their children. During the evening students and parents will also have the opportunity to speak to teachers about their GCSE subjects. Refreshments will also be available in the canteen.

In previous years, parents and students who have attended the information evening have given very positive feedback on its impact and the messages given. We strongly encourage all parents/carers of Year 11 students to join us during the evening, so that we can work together to ensure that you are successful in Year 11.

Please complete the attached google form by **Friday 27th September 2024** to confirm numbers attending.

Thank you for your continued support. We look forward to seeing you and your child at the event.

Yours faithfully

Miss A Kench
Head of Key Stage 4

Mr T Armstrong
Assistant Headteacher
