This week at Nursery . . .

14th June 2024

Thank you to everyone who joined us at the Superhero Fun Day on Saturday, or who kindly made donations to a cause very close to our hearts. We are very pleased to announce that together we have raised just over £1000 for Young Lives VS Cancer!

On the day it was lovely to see so many of you dressed up and with painted faces. A special thank you to Mrs Jewell (AKA He-Man!) for taking time out to offer her skills as an amazing face painter - and for being such a good sport! Thank you also to the many school staff members who came along to show their support. The children enjoyed the games such as 'Hook a Duck' so much we have been playing them this week at nursery too!

This week we have been preparing for Father's Day, making some lovely cards using our hands and feet! We have been talking about who is in our families, people that are special to us.

This term our Christian Value is Honesty. Our focus story of the week is a story from 'Tinga Tinga Tales' called 'How Elephant got his trunk.' This story is all about how telling the truth can be difficult but it can make a difference. The children have shown a good understanding about why it is important to tell the truth and why.

We have been busy practicing for Sports Day which is next Wednesday (19th) in the afternoon (times to be confirmed.) Nursery children attending on Wednesday will be taking part in two races. If your child does not attend but would like to join the race, they can take part on the day, but will need to be supervised.

Please can you let us know the last dates for your pre-school aged children in writing asap. The invoices for August will be generated before the end of term and as the school office will be closed over the summer, no amendments can be made. Thank you.

Summer Leavers

If your child is leaving us in the summer, we would be grateful if you could confirm their last day at nursery. Please note we require at least a month's notice.

Should we not receive notification, we will assume that your child will be attending until the end of August and will invoice accordingly.
Thank you
