Tuesday, 7th January 2025

Dear Parents/Carers,

I hope you all had a wonderful Christmas and a Happy New Year! We are very much looking forward to welcoming the children back into school for Term 3. I have outlined below the areas of learning which you can expect Robin Class to be focusing on for the next six weeks. If you have any questions about any of the following information, or indeed anything else, please do not hesitate to contact me via the school office email.

Whole Class Reading

This term, the children will have the pleasure of reading an excellent book entitled **Boy in the Tower** by **Polly Ho Yen**. Children in previous years have thoroughly enjoyed the suspense and drama which gradually unravel in this narrative story.

The Write Stuff

Robin Class will be studying a Write Stuff unit of work entitled **Mars Transmission**. The children will be developing the skills required to write a non-fiction piece of writing. By the end of term, we will produce a text which will include a transmission sent home from another planet.

Maths

During this term, we will be studying the **Multiplication and Division B** and **Fractions B** units of work.

Science

In Science, the children will have the pleasure of learning about **The Earth and Space**. We will be studying the composition of the Solar System, the movement of celestial bodies and the way in which our understanding of these models have developed throughout humanity.

History

In History, we will be learning about Ancient Greek civilization. Most specifically, the children will come to understand Ancient Greek legacy and the things they left behind for civilisations moving forward up until the present.

"Love each other as I have loved you" John 15:12

PE

Our PE days have now changed for this term. They are as follows:

Mondays - PE

Wednesdays - Dance Umbrella

Religions & Worldviews

This term, our unit of focus will be **Judaism - God and the Covenant.**

PSHE (Jigsaw)

During Jigsaw lessons this term, we will be **Dreams & Goals.**

Computing

Unit title: **Programming A - Selection in physical computing.**

DT

The children will be developing the skills which will enable them to design and create their own **Pop-up Book** as part of a **Mechanical Systems** unit of learning.

French

Unit title: **That's Tasty.**

Music

Our **Guitar** lessons will continue throughout this term as the children develop their skills even further with the help of **Mr Nosworthy.**

If you do have any questions about the upcoming term then please do not hesitate to contact me via the school office or catch me on the gate after school.

Best wishes,

Mr Smalley
