14th February 2025

This week at Nursery . . .

Last Friday, it was NSPCC Number Day and lots of the children enjoyed dressing up in maths themed clothes, some of which were homemade!

STAR OF THE WEEK

Isabella

For overcoming new challenges and showing a 'can do' attitude.

Well done!

In Forest School this week, we explored Zone Five. The children had lots of fun making nature bracelets, searching for different natural items to decorate their bracelets. We kept warm by running around and playing football, climbing and rolling over objects, and searching around the mud to find some wriggly worms.

Please note, next term Forest School will be on Wednesdays.

In maths, the children have had fun rolling dice, counting the dots and then moving that amount of steps along a game board. The children had helped to make the dice, drawing spots on a large soft play cube. Outside we used chalk to make a game board so we could move along the game ourselves.

Volunteers Please!

On Monday 3rd March, we are taking a trip to the library, and on Tuesday 18th March we are visiting the church. Both trips will be in the morning and we are looking for volunteers to help us to walk down with us please. If you feel you could help out on one or both of these mornings please let a member of staff know. Thank you!

REMINDERS

- 26th February: Please join us for our 'Under the Sea' Performance which will start at 2.45pm.
- School Half Term: As it is the school half-term holiday next week, the school kitchen will be closed, therefore please note that packed lunches will be required all week.
