## Visitors

**OFSTED:** After an eleven year wait, we finally received the call from OFSTED last Monday morning. It came as a huge relief to all concerned as we had been waiting for such a long time. Things have moved on since our last inspection in 2014 and the bar set by the inspectorate is considerably higher and more demanding. The two-day inspection (Tuesday and Wednesday) gave us an opportunity to welcome both inspectors to our school to see what happens on a day-to-day basis. It gave me an enormous sense of pride seeing the children, staff and governors go about their daily routines. As parents, I would like to thank you for the enormous response to the Parent View. There were a total of 127 responses, something that the inspectors had never seen before, which emphasises the strength of feeling that you have towards our school. Following on from the feedback we have received as staff and governors, it is with a sense of frustration that we cannot yet share the outcome with you for a period of 30 working days. All being well, we should be able to share it with you soon after half term. I have attached a screen shot of the Parent View results on the next page.

**Governor Open Days:** Recently, we were delighted to invite members of our Governing Body to school, so that they could observe the day-to-day running of the school. Governors visited all classrooms, observed lessons, spoke with staff and children and also spent time on the playground and in Collective Worship. Feedback from the two days was very positive. It was clear to the Governors that routines and behaviour were excellent and that the quality of teaching and learning was of a high standard.

**Badger Class Visit to The Roman Baths:** On Wednesday, 5th February, Badger Class will be visiting the world famous Roman Baths as part of their historical studies. Children in Badger Class have also produced some amazing Roman shields, which they tested out on the 'battlefield'. They were able to show their skills of battle formation, being able to hold their shields above their heads and out to the front and sides to protect them - like a tortoise's shell - as they marched forwards to attack the enemy.

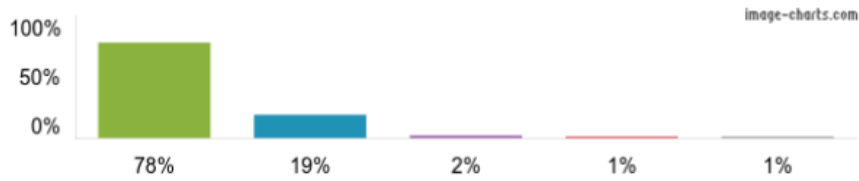

**Owl Class:** Children in Owl Class have had great fun this week! Not only did they meet a local Police Officer and get to see inside a real police car, they also celebrated Chinese New Year (The Year of the Snake) with a range of activities including making dragon masks and Chinese lanterns, creating red lucky charm envelopes and using chopsticks to eat some Chinese food!
